MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons receiving, or paying, money, for soliciting offices, and entering into any negotiations, or pretended negotiations, relating thereto, will be guilty of a misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, to any Agent or Broker, or other person, for negotiating the Purchase, or Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be cashiered; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit; or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons not being authorized Agents of Regiments, Troops, or Companies, negotiating for the Purchase, Sale, and Exchange of Commissions, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being an authorized Agent to some Regiment, Troop, or Company of His Majesty's forces, who shall negotiate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negotiation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negotiate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negotiate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negotiated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons receiving, or paying, money, for soliciting offices, and entering into any negotiations, or pretended negotiations, relating thereto, will be guilty of a misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, to any Agent or Broker, or other person, for negotiating the Purchase, or Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be Cashiered; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons not being authorized Agents of Regiments, Troops, or Companies, negotiating for the Purchase, Sale, and Exchange of Commissions, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being an authorized Agent to some Regiment, Troop, or Company of His Majesty's forces, who shall negotiate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negotiation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negotiate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negotiate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negotiated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons receiving, or paying, money, for soliciting offices, and entering into any negotiations, or pretended negotiations, relating thereto, will be guilty of a misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, to any Agent or Broker, or other person, for negotiating the Purchase, or Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be cashiered; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons not being authorized Agents of Regiments, Troops, or Companies, negotiating for the Purchase, Sale, and Exchange of Commissions, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being an authorized Agent to some Regiment, Troop, or Company of His Majesty's forces, who shall negotiate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negotiation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negotiate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negotiate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negotiated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons receiving, or paying, money, for soliciting offices, and entering into any negotiations, or pretended negotiations, relating thereto, will be guilty of a misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, to any Agent or Broker, or other person, for negotiating the Purchase, or Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be cashiered; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons not being authorized Agents of Regiments, Troops, or Companies, negotiating for the Purchase, Sale, and Exchange of Commissions, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being an authorized Agent to some Regiment, Troop, or Company of His Majesty's forces, who shall negotiate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negotiation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negotiate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negotiate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negotiated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

CIRCULAR 535.

WAR-OFFICE, February, 1825.

SIR,

REFERRING to the Circular Letter of the 22d August, 1821, No. 456, relative to Militia Men enlisting into His Majesty's Regular Forces contrary to the Statute, I am directed by the Secretary at War to acquaint you, that in future the expences incurred upon the Route by Escorts furnished from Regiments of Cavalry, Infantry, or from Recruiting Districts, are to be charged against the Public in the Regimental or District Accounts, in the following manner, viz.—

When men, supposed to belong to the Militia, are to be removed from Ireland to this country, the expences to the embarking station there, are to be charged in the Accounts of the Regiment or District from which the last Escort shall have been furnished, supported by the Route granted by order of His Excellency the Lord Lieutenant: and upon the receipt of a notification of their arrival at either of the debarkation stations in Great Britain, other Routes will be granted to conduct the Prisoners to their final destination: the expences incurred thereon, including passage money, are in like manner to become charges in the Accounts of the Regiment or District (as the case may be) in this country.

I am further to add, that when it shall be deemed expedient to remove Men of this description from one part of Great Britain to another, the expences incurred upon the march are, upon the same principle, to be charged in the Accounts of the Regiment or District from which the last Escort shall have been furnished.

The charges are invariably to be supported by the Route, and a reference to this communication.

I am, &c.

I am further directed to acquaint you, that, in future, the only expences liable to be defrayed by the Paymasters of Regiments of Militia, will be the usual marching allowance to the Non-commissioned Officer or Drummer who may be sent to identify the men so escorted, at the rate of Fifteenpence per Day, reckoning Ten Miles for each Day's March, and the fees upon the commitment of such offenders to prison, confirmed by the signature of the Magistrate before whom they may be convicted and sent to prison; but no charge whatever is to be made until his Lordship's sanction shall have been obtained.

N. B.—Medical Officers who are entitled to have the letters *M. D.* affixed to their names should make the same known through the Director General of the Army Medical Department.

CIRCULAR. Commissariat Depart. Treasury Chambers, 15th Feb. 1825.

SIR, I AM commanded by the Lords' Commissioners of His Majesty's Treasury to acquaint you, that their Lordships have recently had again under their consideration, the rate of Stoppage to be made from Clerks employed in the Public Military Departments abroad; and they are of opinion, that, under all the circumstances which have been represented to them, it may be expedient to consider all Civilians, employed exclusively as Clerks, to be entitled to rank as Officers, and that such Clerks should pay a Stoppage of 2½d. only per day for their personal Ration; and the like Stoppage for the Ration of a Servant, if such Ration for a Servant is drawn.

My Lords, however, desire that this indulgence may take place from the 24th of the month preceding the receipt of this communication; and that it may on no account be considered as giving to the parties who, previously to that time, have paid a Stoppage of 6d. a day for the Ration, any title to a return of any part of the money so paid; and that they further desire that this indulgence may not, on any account, be extended to any persons performing, jointly with some of the duties of a Clerk, any inferior duties, such as Storekeeper, Issuers, &c. such persons having, in their Lordships' opinion, no claim whatever to rank higher than Non-commissioned Officers, and as such should be subject to the Stoppage of 6d. per diem for their personal Ration. I am, Sir, &c. (Signed) GEORGE HARRISON.

Promotions, Appointments, &c. during the Month of April, 1825.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons receiving, or paying, money, for soliciting offices, and entering into any negotiations, or pretended negotiations, relating thereto, will be guilty of a misdemeanour; and that persons opening, or advertising houses, for transacting business relating to the Sale of Offices, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, to any Agent or Broker, or other person, for negotiating the Purchase, or Sale, or Exchange of any such Commission, shall, on being convicted thereof by a General Court Martial, forfeit his Commission, and be Cashiered; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons not being authorized Agents of Regiments, Troops, or Companies, negotiating for the Purchase, Sale, and Exchange of Commissions, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being an authorized Agent to some Regiment, Troop, or Company of His Majesty's forces, who shall negotiate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negotiation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negotiate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negotiate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negotiated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

No. 426.

GENERAL ORDER.

HORSE GUARDS, May 2, 1825.

HIS Majesty having been graciously pleased to approve the accompanying Regulations for the Sale and Purchase of Commissions of Unattached, Retired Full, and Half Pay Officers, they are now promulgated to the Army; and His Royal Highness The Commander in Chief enjoins the strictest compliance therewith.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

Regulations for the Sale of Retired Full Pay and Half Pay Commissions.

25th April, 1825.

Half Pay Officers, and those on Retired Full Pay, shall be permitted to dispose of their Commissions as Unattached Half Pay Commissions, in the manner, and upon the terms hereinafter described.

To include the Officers actually serving in the Veteran Battalions, who may be considered as belonging to both Lists, but who cannot now sell; as also General Officers, who may be in the receipt of the Half Pay, only of that Regimental Bank on which they retired.

That the Officers on the Retired Full Pay, and those serving in Veteran Battalions, shall receive the Prices for their Commissions, established by His Majesty's Regulations in 1821.

That the Officers who were Reduced to Half Pay, having purchased or served Twenty Years, and the Officers obliged to retire upon Half Pay, in consequence of Wounds, or Health impaired by Climate, shall also receive the same price for their Commissions.

That Officers having retired to Half Pay at their own request, not in consequence of Wounds, or Health impaired by Climate, although they should have purchased, shall receive only the old Price, as established by the Regulation in force previous to 1821.

ACTUAL PRICE.		OLD PRICE.	
Lieutenant-Colonelcy	£4,500	Lieutenant-Colonelcy	£3,500
Majority - - -	3,200	Majority - - -	2,600
Company - - -	1,800	Company - - -	1,500

Second Lieutenancy	- 500	Second Lieutenancy	- 450
Ensigny - - -	450	Ensigny - - -	400

The Officers selling out shall receive the Sum to which they may be respectively entitled under these Regulations, as may be directed by the Commander in Chief.

And in order to avoid the possibility of communication between the Parties, the Purchaser will be directed simply to lodge his Money for his Promotion to the higher Commission, the Seller being afterwards selected by the Commander in Chief, from the Lists registered in His Royal Highness's Office; nor will any other than an unconditional Resignation, nor any application which adverts to any expected vacancy, be admitted.

The Surplus, if any, will, in all cases, be held at the disposal of the Lords Commissioners of His Majesty's Treasury, for the public use.

The Price paid and received shall, in all cases, be that of the Infantry Commissions, as in the cases of Unattached Commissions, which have been hitherto sold, whether the Individual selling shall be on the Half Pay of Cavalry or Infantry, and the Purchaser shall, in all cases, be placed on the Half Pay of Infantry.

The Individuals disposed to avail themselves of this arrangement, upon the Terms specified, shall make application to the Commander in Chief, through the Military Secretary, when their Claims will be investigated and determined upon, and their Names will be registered accordingly.

The Purchasers will be recommended to His Majesty by the Commander in Chief from the Lists kept in his Office.

The Sales to take place under the following Restrictions:—

No Person to be allowed to sell at either rate who has passed the Age of Sixty Years, or who cannot produce the Certificate of the Army Medical Board; if in a Foreign Colony, the Certificate of a Medical Board; or, if no Board can be assembled, of the Senior Medical Officer: shewing that his Retirement does not result from impaired Constitution, threatening earlier dissolution than a Person of his age may expect in the common course of nature.

No Officer to be allowed to sell, unless he shall have purchased his Commission, or unless he shall have served Twenty Years in the whole, if a Lieutenant-Colonel, Major, or Captain.

Fifteen Years if a Lieutenant.

Twelve Years if an Ensign, of which, at least, one-half on Full Pay, or in the discharge of active professional Duties; except he should have been placed on Half Pay in consequence of Incapacity, from Wounds or Infirmary, not now affecting his general health and constitution.

Those having purchased whose Services do not amount to the above Periods, or who have not been placed upon Half Pay on account of Incapacity produced as above stated, to receive the value only of the Commissions they may have purchased at either rate, according as they have been reduced, or have retired at their own request.

Those who have taken the Difference, and who may be otherwise circumstanced as above stated, to receive the Value of their Commissions at the old Rate, minus the amount of the Difference previously received by them.

Those who have been placed on Half Pay in consequence of the Sentence of Courts-Martial, or of circumstances prejudicial to their Character, to be excluded from the benefit of this Arrangement; or, if it be thought fit to relieve the Half Pay List from them (as they cannot be called into Service) to receive a Sum not exceeding the value of their Annuity.

It is to be understood, that no Officer on the Retired or Half Pay List, who may hold a Garrison Situation, will be permitted to retain it, if he should sell under this Arrangement.

Further, that the general Arrangement shall be limited to those actually on the Half Pay or Retired List; and the time allowed for its operation shall be limited to one Year for Officers at Home, and to one Year and a half for Officers residing in distant Colonies or Countries.

Those Officers who have purchased Half Pay Commissions, as unattached Commissions, would, after serving on Full Pay in the Rank so purchased, be as admissible to the permission to sell what they may have purchased as any other Officers on Full Pay, under His Majesty's Regulations.

The Purchasers of the Half Pay Commissions, above the Rank of Ensign, shall be invariably Officers on Full Pay.

No Officer shall be allowed to purchase Two steps on Half Pay, without having served in the intermediate time Two Years on Full Pay, it being of course understood, that his general period of Service would otherwise entitle him to the Promotion.

*Extract of a Memorandum from the Adjutant General, dated
Horse-Guards, 25th April, 1825.*

HIS Majesty having sanctioned an Augmentation of Two Companies to each Regiment of Infantry, the Regimental Depôts of Corps serving Abroad, will each consist of Four Companies, from which Six Service Companies will be kept complete to the Establishment stated in the Margin.*

These Depôt Companies will be commanded by one of the Regimental

• 2 Field Officers	1 Paymaster Serjeant
6 Captains	1 Armourer Serjeant
8 Lieutenants	1 Schoolmaster Serjeant
4 Ensigns	1 Hospital Serjeant
1 Paymaster	6 Colour Serjeants
1 Adjutant	18 Serjeants
1 Quarter-Master	1 Drm Major
1 Surgeon	9 Drummers and Fifers
1 Assistant Surgeon	24 Corporals
1 Serjeant Major	492 Privates
1 Quarter-Master Serjeant	

Field Officers, and the Establishment of each Depôt will be as in the Margin.*

When two, three, or more of these Depôts happen to be stationed in the same Garrison, and it is found advisable to exercise them together, they will be formed into a Battalion (or Battalions) under the Command of the Senior Officer of such Corps so joined, for the purpose of exercise of the whole; but each Depôt will remain independent, preserving a strict connexion with the Regimental Head Quarters, and being in constant readiness to be moved, when necessary, as a separate body.

When Battalions are formed, either by Instructions from Head Quarters, or under the local Arrangements of the Senior Officer at each General Depôt Station, the only Staff required will be a Subaltern Officer to act as Adjutant, who will be selected for such temporary duty from among the Adjutants belonging to the Regimental Depôts.

Regiments stationed at Home will be composed (under the Augmentation) of Ten Companies; and upon being ordered upon Foreign Service, the Four Depôt Companies will be formed under the command of a Field Officer, according to the Arrangements now adopted with regard to Regiments Abroad.

Battalions Abroad to be directed to send Home their Supernumeraries of each Rank, to assist in forming the Depôts, taking care not to reduce the effective Rank and File fit for duty below 516.

They will select the Non-commissioned Officers most fit for the duties of the Depôt, and fill their places by Promotion in the Battalion.

All Officers attached to Depôts by Transfer, Promotion, or from Half Pay, to repair at once to the Depôt Stations, or within Eight Weeks after Appointment.

The distribution of Officers to Battalions and Depôts, after the latter shall have been established, to be made by the Commanding Officers, subject to the approbation of the Commander in Chief, through the Adjutant-General.

Officers obtaining Leave of Absence, on account of their health requiring a change of climate, to join the Depôt on their arrival in this Country, (unless specially dispensed with by the Commander in Chief,) and to be replaced by Officers from that Establishment.

Officers exchanging from one Regiment to another, to take the place of the Officers with whom they exchanged, whether in the Battalion or in the Depôt, and to take the same tour of duty with either, except dispensed with by the Commander in Chief.

By Command of His Royal Highness

The Commander in Chief.

Adjutant-General.
